Sleeve Length - CB	30 1/2"-31"	31 1/2"-32"	32 1/2"-33"	33 1/2"-34"	34"-34 1/2"

## Decoration Recommendations

Due to the nature of nylon fabric, special care must be taken throughout the decoration process. Here are some tips to effectively decorate our performance products.

### SCREEN PRINTING/HEAT TRANSFERS:

- Garment temperature must not exceed 310°F or 154°C.
- Use fast fushion/low cure temperature ink to help prevent the need for a higher temperature to cure the ink.
- A test sample run is recommended, especially if you have a large order or if your printer does not specialize in printing on nylon fabrics
